Alliance Air & Hydraulic Disc Brake Calipers

Air Disc Brake Calipers Features & Benefits

Key Product Features & Benefits

Features

Every unit is remanufactured to OE specs, making it better than rebuilt, and more cost effective than OE

Components are cleaned, inspected, and treated with rust preventative coating

Every caliper is tested utilizing OE brake system analyzers

All rubber components, bushings, and guide pins are replaced with 100% new OE quality equivalents

Castings are coated with premium coating and baked at 400 degrees

Benefits

Allows for significant cost savings over OE new calipers.

Enables extended rust-free operation and improved overall product life.

Ensures uniform operation of moving components to provide enhanced quality, superior performance, and reduced maintenance

Prevents premature failure due to eroding.

Provides corrosion protection in harsh operating environments and improves visual appearance.

Heavy Duty Stopping Power

- Every unit is remanufactured to OE specs, making it better than rebuilt, and more cost effective than OE
- Components are cleaned, inspected, and treated with rust preventative coating
- All rubber components, bushings, and guide pins are replaced with 100% new OE quality equivalents
- Castings are coated with a premium protective coating to provide corrosion protection in harsh environments

Coverage of All Applications

- Trucks
- Trailers

- Motor Coaches
- Fire Trucks
- Waste

Heavy Duty Braking Options

- Designed for performance in extreme conditions
- Lighter weight
- Internal cooling due to increased air flow
- Shorter stopping distance
- Elimination of Brake Fade
- Longer service life of friction material
- Reduced potential for Compliance, Safety, Accountability (CSA) violations

Hydraulic Brake Caliper Features & Benefits

Semi-Loaded Caliper Advantage

1. Choice of Friction (WD & Tech)

- Reducing Caliper Shelf Costs
- Reducing inventory duplication

2. Ready for Installation (Tech)

- Bracket attached for mounting to vehicle
- Just add friction choice

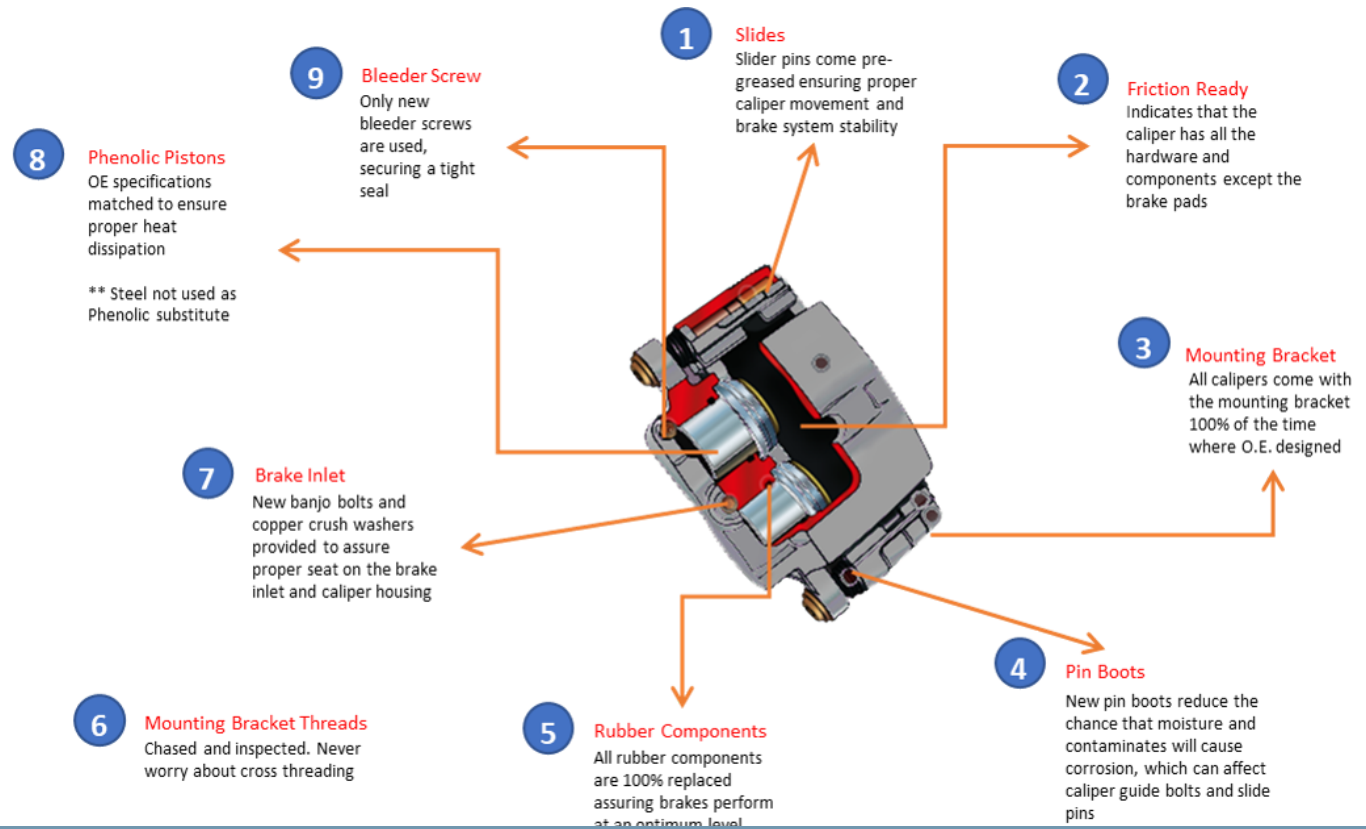

3. No Surprises (WD & Tech)

- OEM Specific hardware included
- No back and forth trips to the toolbox

4. Quality Assured (WD & Tech)

- Brake Caliper backed by limited lifetime warranty

5. 16 SKUS Available for this program
