ABP R01 23535990	Engine Control Module, DDEC V	Electronics	Series 60

## General Product Information

Remanufactured engine components from Alliance Parts provide a cost-effective alternative to new parts with performance, durability and reliability that meet or exceed the original equipment manufacturer. Not simply a rebuild, our remanufacturing process begins by using only high-quality cores and replacement components. Combine this with industry leading remanufacturing experience and expertise, we deliver engine components you can trust.
