Available in a variety of models, including the FW31 NoLube™, the FW35 meets the needs of the transportation industry for today and beyond.

#### **HOLLAND FW31**

An over-the-road, fifth wheel with NoLube technology.

LOAD CAPACITY: 55,000 lbs. Vertical Load PULL CAPACITY: 150,000 lbs. Drawbar Pull

The FW31 combines the proven reliability of the FW35 top plate with the innovation of patented HOLLAND NoLube technology to provide the industry's first completely grease-free fifth wheel. The FW31 Series eliminates the use of grease on the top plate surface, between the top plate and bracket, and in the lock mechanism.

#### Benefits of a HOLLAND NoLube Fifth Wheel:

- Reduces lubrication cost and time.
- Extends maintenance intervals and improves shop productivity. Absence of grease allows mechanics to work faster.
- Maintains consistent steer effort, even in sharp turns, to help reduce steer tire scrub/wear.
- Keeps shops safe and clean while helping to meet EPA regulations.
- Preserves the environment and prevents excess grease citations and fines.
- Improves driver productivity no re-greasing on the road while providing a smoother, more fluid ride and constant feel for the way the trailer pulls.

#### **HOLLAND FW33**

An over-the-road, fifth wheel with LowLube technology.

LOAD CAPACITY: 55,000 lbs. Vertical Load PULL CAPACITY: 150,000 lbs. Drawbar Pull

The FW33 is designed specifically for the vocation industry. It combines the proven reliability of the FW35 top plate with the innovation of patented HOLLAND LowLube technology to provide a grease-free fifth wheel. The FW33 Series eliminates the use of grease on the top plate surface and between the top plate and bracket.

#### Benefits of a HOLLAND LowLube Fifth Wheel:

- Reduces lubrication cost and time.
- Extends maintenance intervals and improves shop productivity. Absence of grease allows mechanics to work faster.
- Maintains consistent steer effort, even in sharp turns, to help reduce steer tire scrub/wear.
- Keeps shops safe and clean while helping to meet EPA regulations.
- Preserves the environment and prevents excess grease citations and fines.
- Improves driver productivity no re-greasing on the road while providing a smoother, more fluid ride and constant feel for the way the trailer pulls.

The FW33 fifth wheel is available with a variety of options and accessories. See all available options and accessories for the FW33 in the right-hand column.
