## Aluminum Wheel Product Highlights

Lightest standard 22.5 x 8.25 aluminum wheel on the market at 38lbs

Standard (SP) and Enhanced (XP) polish standard on both sides of wheels reducing part number inventory and complexity

Multiple coating options to protect your aluminum wheel investment

Aftermarket truckload programs for high volume parts

## General Product Information

Accuride is the industry's only single source to supply both steel and aluminum wheels and a range of wheel-end components and assemblies for commercial vehicle OEM, fleet and aftermarket customers. Accuride delivers products with reliable quality and performance, competitive prices and lead times. The company's products are marketed under its brand names, which include Accuride®, Accuride Wheel End Solutions™, Gunite® and KIC®.
